CUSTOM

CUSTOMIZABLE IN BOTH LOOKS AND LENGTH

EN *The ARIA series soundbars by Garvan, available in flush-mounted, shelf, and wall-mounted versions, boast a minimalist steel design and offer endless possibilities for aesthetic customization, allowing them to blend seamlessly into any environment while ensuring a rich and immersive sound. They are available in various configurations, both in stereo and three-channel versions, and their length can be customized to perfectly match the TV. Several color options are available as well, in the RAL or NCS color range.*

IT *Le soundbar della serie ARIA di Garvan, offerte nelle versioni da incasso, a scaffale e a parete, vantano un design minimalista in acciaio e offrono infinite possibilità di personalizzazione estetica, permettendo loro di fondersi in ogni tipo di ambiente e garantendo un suono ricco e avvolgente. Sono disponibili in diverse configurazioni, sia in versione stereo che a tre canali, e la loro lunghezza può essere personalizzata per adattarsi alla perfezione al televisore. Anche la scelta del colore è ampia, con opzioni disponibili nella gamma dei colori RAL o NCS.*

FR *Les barres de son de la série ARIA de Garvan, disponibles en version encastrable, pour étagère et murale, présentent un design minimaliste en acier et offrent d'innombrables possibilités de personnalisation esthétique, leur permettant de se fondre parfaitement dans n'importe quel environnement tout en garantissant un son riche et immersif. Elles sont disponibles dans différentes configurations, en stéréo et en version trois canaux, et leur longueur peut être personnalisée pour s'adapter parfaitement au téléviseur. Une gamme étendue de couleurs est également disponible, avec des options de la gamme RAL ou NCS.*

DE *Die Soundbars der ARIA-Serie von Garvan, erhältlich in Einbau-, Regal- und Wandversionen, zeichnen sich durch ein minimalistisches Design aus Stahl aus und bieten endlose Möglichkeiten zur ästhetischen Anpassung. Die ARIA Soundbars fügen sich harmonisch in jeder Umgebung ein und gewährleisten einen reichen und eindringlichen Klang. Sie sind in verschiedenen Konfigurationen erhältlich, sowohl in Stereo- als auch in Dreikanalversionen, und ihre Länge kann angepasst werden, um perfekt zum Fernseher zu passen. Die Farbauswahl ist auch umfangreich, mit Optionen, die im RAL- oder NCS-Farbspektrum erhältlich sind.*

EN The Garvan Acoustic in-wall soundbar offers a high-class audio experience, and is designed to integrate harmoniously and elegantly into any environment. Made with a robust steel structure, this soundbar is customizable in both looks and length, in order to perfectly adapt to different desires and needs. Connectable to any high-quality Home Theater amplifier, it guarantees superior sound performance over traditional soundbars.

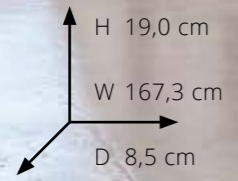

IT La soundbar da incasso di Garvan Acoustic offre un'esperienza audio di alta classe, progettata per integrarsi armoniosamente ed elegantemente in ogni ambiente. Realizzata con una struttura in acciaio, questa soundbar è personalizzabile sia nella lunghezza che nell'estetica, per adattarsi perfettamente alle diverse esigenze. Collegabile a qualsiasi amplificatore Home Theater di alta qualità, assicura prestazioni sonore superiori rispetto alle soundbar tradizionali.

FR La barre de son encastrable de GARVAN Acoustic offre une expérience audio haut de gamme, conçue pour s'intégrer harmonieusement et élégamment dans n'importe quel environnement. Exécutée avec une structure en acier, cette barre de son est personnalisable tant dans sa longueur que dans son esthétique, pour s'adapter parfaitement aux différentes exigences. Elle peut être connectée à n'importe quel amplificateur de cinéma maison de haute qualité et assure des performances audio supérieures par rapport aux barres de son traditionnelles.

DE Die Einbau-Soundbar von Garvan Acoustic bietet ein hochwertiges Klangerlebnis, das sich harmonisch und elegant in jedes Ambiente einfügt. Die aus einem Stahlrahmen gefertigte Soundbar ist sowohl in der Länge als auch in der Optik individuell gestaltbar und kann so perfekt an unterschiedliche Anforderungen angepasst werden. Sie kann an jeden hochwertigen Heimkino-Verstärker angeschlossen werden und liefert im Vergleich zu herkömmlichen Soundbars eine überragende Klangleistung.

EN *Garvan Acoustic Soundbar offers a first-class listening experience and is designed to fit into any environment in a natural and elegant way, thanks to the steel cabinet and the possibility of customisation of its colours. It can be connected to any high-quality home theatre amplifier, offering an audio performance far superior than traditional soundbars.*

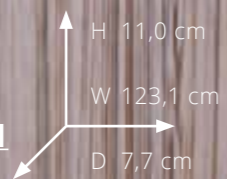

IT *La soundbar di Garvan Acoustic offre un'esperienza d'ascolto in prima classe ed è progettata per inserirsi in ogni ambiente in modo naturale ed elegante grazie al cabinet in acciaio e alla possibilità di poterla realizzare in qualsiasi colore. Può essere collegata a qualsiasi amplificatore Home Theater di elevata qualità per ottenere prestazioni audio superiori rispetto alle soundbar tradizionali.*

FR *La barre de son Garvan Acoustic offre une expérience d'écoute de première classe et est conçue pour s'intégrer dans tout environnement de manière naturelle et élégante, aussi grâce au coffret en acier et à la possibilité de personnalisation des couleurs. La barre peut être connectée à toute amplificateur de cinéma maison de haute qualité pour des performances audio supérieures par rapport aux barres de son traditionnelles.*

DE *Die Soundbar von Garvan Acoustic bietet ein erstklassiges Hörerlebnis. Dank des Stahlgehäuses und der Möglichkeit, sie in jeder Farbe herzustellen, fügt sich die Soundbar auf natürliche und elegante Weise in jede Umgebung ein. Es kann an jeden hochwertigen Heimkino-Verstärker angeschlossen werden und bietet höhere Leistungen als herkömmliche Soundbars.*
